

World Transfer Programme (WTP) for Research Scientists

Travel Grants

Up to 3.500€

Application Deadline: Feb. 1, 2012

To aid a recently qualified post doctoral scientist to transfer to another laboratory in another country in order to gain access to instruments (experiments, computers, large infrastructures) and/or to a special expertise, in order to progress more quickly her/his research project.

The scientific stay will be of 3 to 12 months duration. For a short stay, the grant consists of a travel grant but for a longer stay it may also cover some consumables or other discretionary expenses, upon the submission of a detailed budget plan. Please contact the IUVSTA Scientific Secretary Christoph Eisenmenger-Sittner at Christoph.Eisenmenger@ifp.tuwien.ac.at for more details.
