Dear Dr. Mariano Anderle,

The Union of Physicists in Bulgaria (UPB) hereby applies for membership in the International Union for Vacuum Science, Technique and Applications (IUVSTA).

A brief history of UPB is outlined in the preamble of the attached Constitution and By-Laws of the Union. There is a full agreement between the fields of interest of UPB and IUVSTA. The UPB is representative of all individual and corporate bodies in Bulgaria with interests in Vacuum Science, Technique and Applications.

We hereby also apply to hold one (1) contributory share in IUVSTA.

Sincerely yours,

Academician Alexander G. Petrov,
President, Union of Physicists in Bulgaria
