2. Newsletter

The publication of the Newsletter resumed in 2011 and continues without [interruptions](#). The newsletter is distributed through email to all people active in IUVSTA and posted on the web-site. It provides a summary of recent activities at a glance, which otherwise can be found in the “Records” sections. One letter is compiled in the months after each ECM:

Because of the increased volume, the latest issue was split in two parts with a total of 30 pages. Part 1 devoted mostly with organizational documents related to the end of the triennium in 2016 and the preparation for the next triennium, while Part 2 contained information on IUVSTA Divisional and Member Societies activities.

Issue [#172 Part 1](#) contains the following contributions:

Executive Council Meeting 121, Holiday Inn Express, Morgan Hill, CA, USA
A PREVIEW TO THE YEAR 2016: ECM 122, IVC 20, and GM 19
CANDIDATES FOR IUVSTA PRIZES IN SCIENCE AND TECHNOLOGY
CANDIDATES FOR IUVSTA PRESIDENT ELECT
NOMINATION OF DELEGATES TO GM 19
NOMINATION OF COUNCILLORS, ALTERNATES, AND DIVISIONAL REPRESENTATIVES
BIDS FOR IVC

Issue [#172 Part 2](#) contains the following contributions:

Scientific Director Comments for the News Bulletin
Executive Council Meeting 122, INL, Braga, Portugal

14th IUVSTA School on Nano-Optics; from Principles to Basic Research and Applications

20th International Vacuum Congress, Busan Korea
European Conference on Surface Science

Joint ICMCTF-SVC workshop STRESS 2016 9

Activity Report for the VASSCAA-7

78th IUVSTA workshop, October 5 to 9, 2015 in Braga, Portugal
Report on Pakistan Vacuum Society event
Brazilian Vacuum Society event
AVS 62 Summary
19th VEIT'2015 (IUVSTA endorsed conference), Sozopol, Bulgaria

Organizers of IUVSTA forums, IUVSTA committees and divisions chairs are encouraged to submit reports on events of interest to the whole Union.

The Publication Committee thanks the contributors. Another letter dedicated to the events and decisions of ECM will be prepared; timely contributions from all committees and divisions are welcome.

3. IUVSTA Wikipedia entry

The Publication Committee is working on creating a web-page for IUVSTA in Wikipedia.

Kind regards

Ivan Petrov
