Suzhou in China

- **Suzhou** is on the Lake Tai Plain south of the Yangtze River, about 100 km to the west of Shanghai and just over 200 km east of Nanjing.
- Suzhou's economy is primarily based on its large manufacturing sector (e.g. iron and steel, IT and electronic equipment, and textile products). The city's service sector is notably well-developed.
- Suzhou's overall GDP exceeded RMB 1.85 trillion in 2018.
- The city is also one of China's foremost destinations for foreign investment, and is the home of the **Suzhou Industrial Park**.

Welcome to Suzhou
