

2023 / 2025 IUVESTA Calendar

2023

49th IOP Annual Plasma Physics Conference
27-30 Mar 2023, St. Catherine's College, Oxford, UK

ISSC-24, Interdisciplinary Surface Science Conference, 17-19 Apr 2023, Manchester, UK

ICMCTF'23- International Conference On Metallurgical Coatings & Thin Films, 21-26 May 2023, San Diego CA, USA

2023 Spring Meeting of the European Materials Research Society (E-MRS), 29 May – 01 Jun 2023, Strasbourg, France

Surface Science Toolbox 2023 IUVESTA School, 23-26 Aug 2023, Poznan, Poland (official satellite event to ECOS)

ECOSS-36, 36th European Conference on Surface Science, 28 Aug - 01 Sep 2023, Lodz, Poland

20th IUVESTA School "Vacuum Gas Dynamics", 17-21 September 2023, Island of Porquerolles, Marseille, France.

ICTF2023, 19th International Conference on Thin Films, 26-29 Sep 2023, Burgos, Spain

93rd IUVESTA Workshop, Advances in the characterization of surface engineering structures, coatings, and thin films, 15-19 Oct 2023, Seggau, Austria

97th IUVESTA Workshop on Plasma-assisted conversion of gases for a sustainable future
17-21 Dec 2023, Cerklje na Gorenjskem, Slovenia

PLATHINIUM (Plasma Thin film International Union Meeting), 11-15 Sep 2023, Antibes, France

2023 Fall Meeting of the European Materials Research Society (E-MRS), 18-21 Sep 2023, Warsaw, Poland

EU PVSEC 2023, 40th European Photovoltaic Solar Energy Conference and Exhibition, 18-22 Sep 2023, Lisbon, Portugal

NANOCON, 15th Int. Conference on Nanomaterials – Research & Application, 18-20 Oct 2023, Brno, Czechia

AEPSE2023, Asian-European International Conference on Plasma Surface Engineering, 05-08 Nov 2023, Busan, Korea

AVS 69th International Symposium & Exhibition, 05-10 Nov 2023, Portland OR, USA

2024

2024 Spring Meeting of the European Materials Research Society (E-MRS), 27-31 May 2024, Strasbourg, France

ICMCTF'24- International Conference On Metallurgical Coatings & Thin Films, 19-24 May 2024, San Diego CA, USA

PSE 2024 19th International Conference on Plasma Surface Engineering, 02–05 Sep 2024, Garmisch-Partenkirchen, Germany

2024 Fall Meeting of the European Materials Research Society (E-MRS), 16 –19 Sep 2024, Warsaw, Poland

12th Vacuum and Surface Science Conference of Asia and Australia (VASSCAA-12)
14-17 Oct 2024, Taipei, Taiwan

AVS 70th International Symposium & Exhibition, 03-08 Nov 2024, Tampa FL, USA

EVC-17, European Vacuum Conference / ECOS-37 37th European Conference on Surface Science, 17-21 Jun 2024, Harrogate, UK

100th IUVESTA Workshop on How sustainable are thin films and thin film processing? Pathways towards responsible surface engineering, Fall 2024, Aachen, Germany

2025

IVC-23, International Vacuum Congress 15-19 Sep 2025, Sydney, Australia

AVS 71st International Symposium & Exhibition, 21-26 Sep 2025, Charlotte NC, USA
