

Dear colleagues,

We are glad to announce **the [19th International Conference on Thin Films \(ICTF2023\)](https://ictf2023.com/)** scheduled from **September 26<sup>th</sup> -29<sup>th</sup> 2023 in Burgos, Spain.**

The ICTF is a well-established conference series (first edition took place in Boston, Massachusetts, US in 1969) for all researchers interested in **thin films and coatings**. It is organised after every three years and supported by the Thin Film Division of the International Union for Vacuum Science, Technique and Applications (**IUVSTA**), a union of national member societies whose role is to stimulate international collaboration in the fields of vacuum science, techniques and applications and related multi-disciplinary topics. In addition, this edition is also supported by the Spanish Vacuum Society (**ASEVA**).

For more information and further updates, please visit the [conference website](https://ictf2023.com/).

**We invite you to join us in ICTF2023 in Burgos next year and share the latest advances in the field!**

Yours sincerely

F Yubero  
I Palacio  
Conference Chairs ICTF-2023
