

Union Internationale Pour La Science, La Technique et Les Applications du Vide
International Union for Vacuum Science, Technique and Applications
Internationale Union für Vakuum Forschung, Technik und Anwendung

Call for Nominations:

IUVSTA Prize for Science & IUVSTA Prize for Technology

Dear IUVSTA Colleagues,

Please advertise this call for nominations for the IUVSTA Prize for Science and the IUVSTA Prize for Technology.

<https://iuvsta.org/iuvsta-prizes/>

The two Prizes are the most prestigious awards of the International Union for Vacuum Science, Technique and Applications (IUVSTA). They will be awarded in September 2025 during the International Vacuum Congress IVC-23 in Sydney, Australia.

The purpose of IUVSTA Prizes is to recognise and encourage outstanding internationally acclaimed research and achievements in technology and instrumentation in the fields of interest to IUVSTA. The prizes have been established by the IUVSTA Executive Council, with generous support from the vacuum industry world-wide. The nominee must have accomplished outstanding experimental and/or theoretical research in vacuum science, technique or applications within the ten years preceding the year in which the award is made. Special consideration will be given to nominees currently engaged in an active career of research.

Note that all nominating material must be sent by e-mail as attached digital files (pdf format).

The application deadline is: 31 January 2025.

For questions please contact:
Professor Timo Gans, Dublin City University, Ireland
Chair IUVSTA Awards & Scholarships
