The 2024 IUVSTA International M. W. Welch Scholarship Award

Dear IUVSTA Colleagues,

Please advertise this opportunity for outstanding early-career scientists to travel and work at a lab abroad, the IUVSTA Welch Scholarship Award:

<https://iuvsta.org/welch-scholarship/>

This award will provide US\$ 15,000 for an early-career researcher to travel and work at a lab in another country. *Early-career* is defined as within one year of a PhD or up to two years after obtaining a PhD. The duration of the stay is between 3 months and 1 year. The duration depends upon the cost of living of the location chosen and level of the applicant (the total amount of US\$ 15,000 is fixed).

IUVSTA International Welch Scholarship Award 2024

Supporting:
Outstanding Early Career Researchers
in spending research time abroad

Value:
US\$ 15000

Deadline:
16 September 2024

Details:
<https://iuvsta.org/welch-scholarship/>

A partial list of laboratories willing to host the awardee can be found here:

https://iuvsta.org/main/wp-content/uploads/2018/04/4.6-Update_Possible-Welch-Scholarship-Hosting-Laboratories_v2.xlsx

Note that this list is not exhaustive, and the candidate is welcome to propose any laboratory willing to host the stay.

A link to the application form can be found here:

<https://iuvsta.org/welch-scholarship-application>

The application will require a CV, a research project plan, a letter from the hosting institution and two reference letters. The successful candidate should be of outstanding merit and have a research plan that will have a significant impact on the candidate's career.

The application deadline is: 16 September 2024.

We are hoping to have as many applications as possible, so please spread the word about this opportunity far and wide. This is an excellent opportunity for early-career scientists/engineers to perform outstanding research in an institution abroad.
